Mentionables:

- Leaders were able to spend the entire week at camp. This is the first time I allowed them to spend the entire week.
- The theme for the week was "The Great Wegesegum Game Show"
- Chanda Klassen donated 2x 3 gallon tubs of ice cream and cones for all.
- Chelsea Storey-Albright (Chipman Firefighter and Camp mom) donated ice cream sandwiches and popsicles for all the kids.
- Doug and Sandra Tyler donated \$500 towards day camp expenses
- Chipman Community care donated cereal and granola bars.
- We donated the remainder of the granola bars to the CFAS breakfast program.
- The Chipman Fire Department visited on Monday to give a tour of the trucks and provided water for the slip and slide soccer baseball.
- Tuesday we played battleship and let 1200 water balloons loose.
- Wednesday we played Uh-oh. We made 200 gallons for Jello. A lot of fun was had by all. 4 Board members were Jello-ed
- We were able to have a campfire on Thursday night (Campfire was built by Jim Lawless) Some parents attended the campfire and were very happy to be included.

- The councillors were told to give the best campfire performance of the summer, they took the expectation and exceeded it.
- Aside from the known campers going home we only had 1 camper call home in the night to be picked up.
- We had a very impressive volunteer group. Steve and Tanya toughed it out in the kitchen the entire week cooking lunches for the entire group and suppers for the councillors. We had Lauren, Matt, Ashley Wilson, Justin Palmer, and Binky as additional adult help.
- Janet Crawford was our camp Gramie again this year. She is such a wonderful presence and great first aider.
- We used the cohort model again in order to make the week more manageable with the number of campers. We had 3 cohort leaders; Binky, Brooke Morton and Gabby Spencer. They showed incredible leadership this week.
- The entire volunteer group showed that they had benefitted and learned the skills needed to be a great camp counselor.
- At the end of the week, Angela Lawless donated a cake and cupcakes to thank the Camp Wegesegum Team for all that we have done to breathe life back into the camp.
