

## What's next?

We have another busy lineup for summer 2022!

- We will have 8 employees this summer! 2 working for 12 weeks and the rest 8 week terms.
- We are offering five weeks of our **Little Rangers** programming for children ages 3-5 starting in June and running until the middle of July.
- This summer paid staff as well as a few others are receiving **Paddle Canada Certification** to teach canoeing. This ensures that we can offer a top notch canoeing program to our campers this summer!
- We are working on creating a program to offer canoeing trips to the community during a few evenings this summer. Program is in the works and will be called **Mini Adventures**.
- We are having our **Leadership Training Camp** so we can train our counselors for the summer and keep them up to date with camp information.
- After Little Rangers is finished, we are right into the swing of things with **Jr. Co-Ed** directed by Matt, Lauren and Ashley. The camp this summer is following an Olympic theme with lots of fun activities on the lineup.
- Following Jr. Co-Ed is the return of **Boys Adventure Camp!** Directed by Justin Palmer. This camp allows boys from unfortunate home circumstances to come to camp for free and get the whole camp experience. All of the money to run this camp has been fundraised by Justin.
- Following Boys Adventure Camp is **Mini Co-Ed**, a two night overnight camp directed by Lucy. The camp this summer is following a space theme with lots of space activities crammed into two days of fun!
- Finally, to round out our busy summer, is **Day Camp** directed by Chelsie. This summer Day Camp is taking a mysterious turn inviting children to come to the Wegesegum Spy Academy. Children who come will be training to become a WASP, and will complete activities all week to become one.
- This summer of course would not be made possible without our support from Steve and Tanya in the kitchen, and of course without the support of our lovely board.
- **Spooktacular** will be happening once again in October. We are always looking for cabin decorators, candy donations and volunteers.
